

Viktoriia OBUKHOVSKA

I have strong communication and technical support skills gained during my university studies, where I explored the principles of information systems and their users. I also have non-commercial experience in website creation and possess basic database management skills. I am quick to learn new concepts and adapt to new challenges.

SKILLS

Communication Skills	Technical Knowledge	Patience
Problem-Solving	Time Management	Empathy

LANGUAGES

Ukrainian: Native English: Upper Intermediate (B2)

EDUCATION

Bachelor’s Degree in Information Systems and Technologies
Sumy National Agrarian University
